Press Release

Breakaway Toowoomba Inc Determined to Build Respite Centre

On the 6th April 2010 Breakaway launched an appeal to raise \$1.2 million dollars to build a local respite centre, having already committed \$300,000.00.

To date Breakaway has been successful in raising \$191,910.00 through generous donations and pledges and would specifically like to thank **Xstrata Coal** for their generous donation of \$100,000.00 and **Mr Ian Macfarlane MP** for his support and assistance in our fund raising endeavours.

Mr Ian Macfarlane MP announced at his campaign launch on 3rd August that an **Abbott Coalition Government** would contribute \$400,000.00 to our project.

Prime Minister Julia Gillard recently announced that **Labor** would establish a \$60 million building fund for supported accommodation and respite for people with disabilities.

With these opportunities and further donations from the private sector we are confident we will achieve our target.

Yours faithfully
