- Client receives an individual package or other funding more appropriate to their needs
- Client leaves the service for other personal reasons
- Client has been inappropriately placed in the service
- Limited funding which restricts the resources available for respite support
- Client is deceased

SCOPE:

- Reasons for exit from service
- Transitional phase and / or development of alternative strategies

POLICY:

Breakaway Toowoomba Inc. aims to assist families / advocates exiting the service

PROCEDURE:

1. When required the Executive Officer and /or administration staff will support the client / carer / advocate exiting the service to access information they may need in terms, options for alternative support.
2. Exit interview – within the fortnight
3. Grievance procedure
4. Upon written request a profile of support provided can be constructed to follow client / carer / advocate to new service provider.
5. Should the client / carer / advocate wish to re-access the support services of Breakaway Toowoomba the current assessment and priority rating processes will apply.
